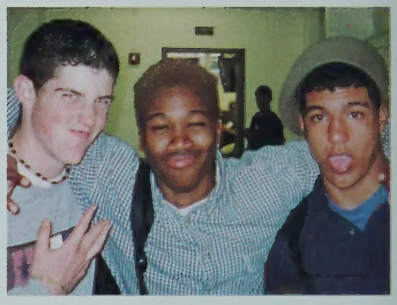
Beginning and Ends With My Friends

Squeeze in!

Ladies' Man

The Line Up

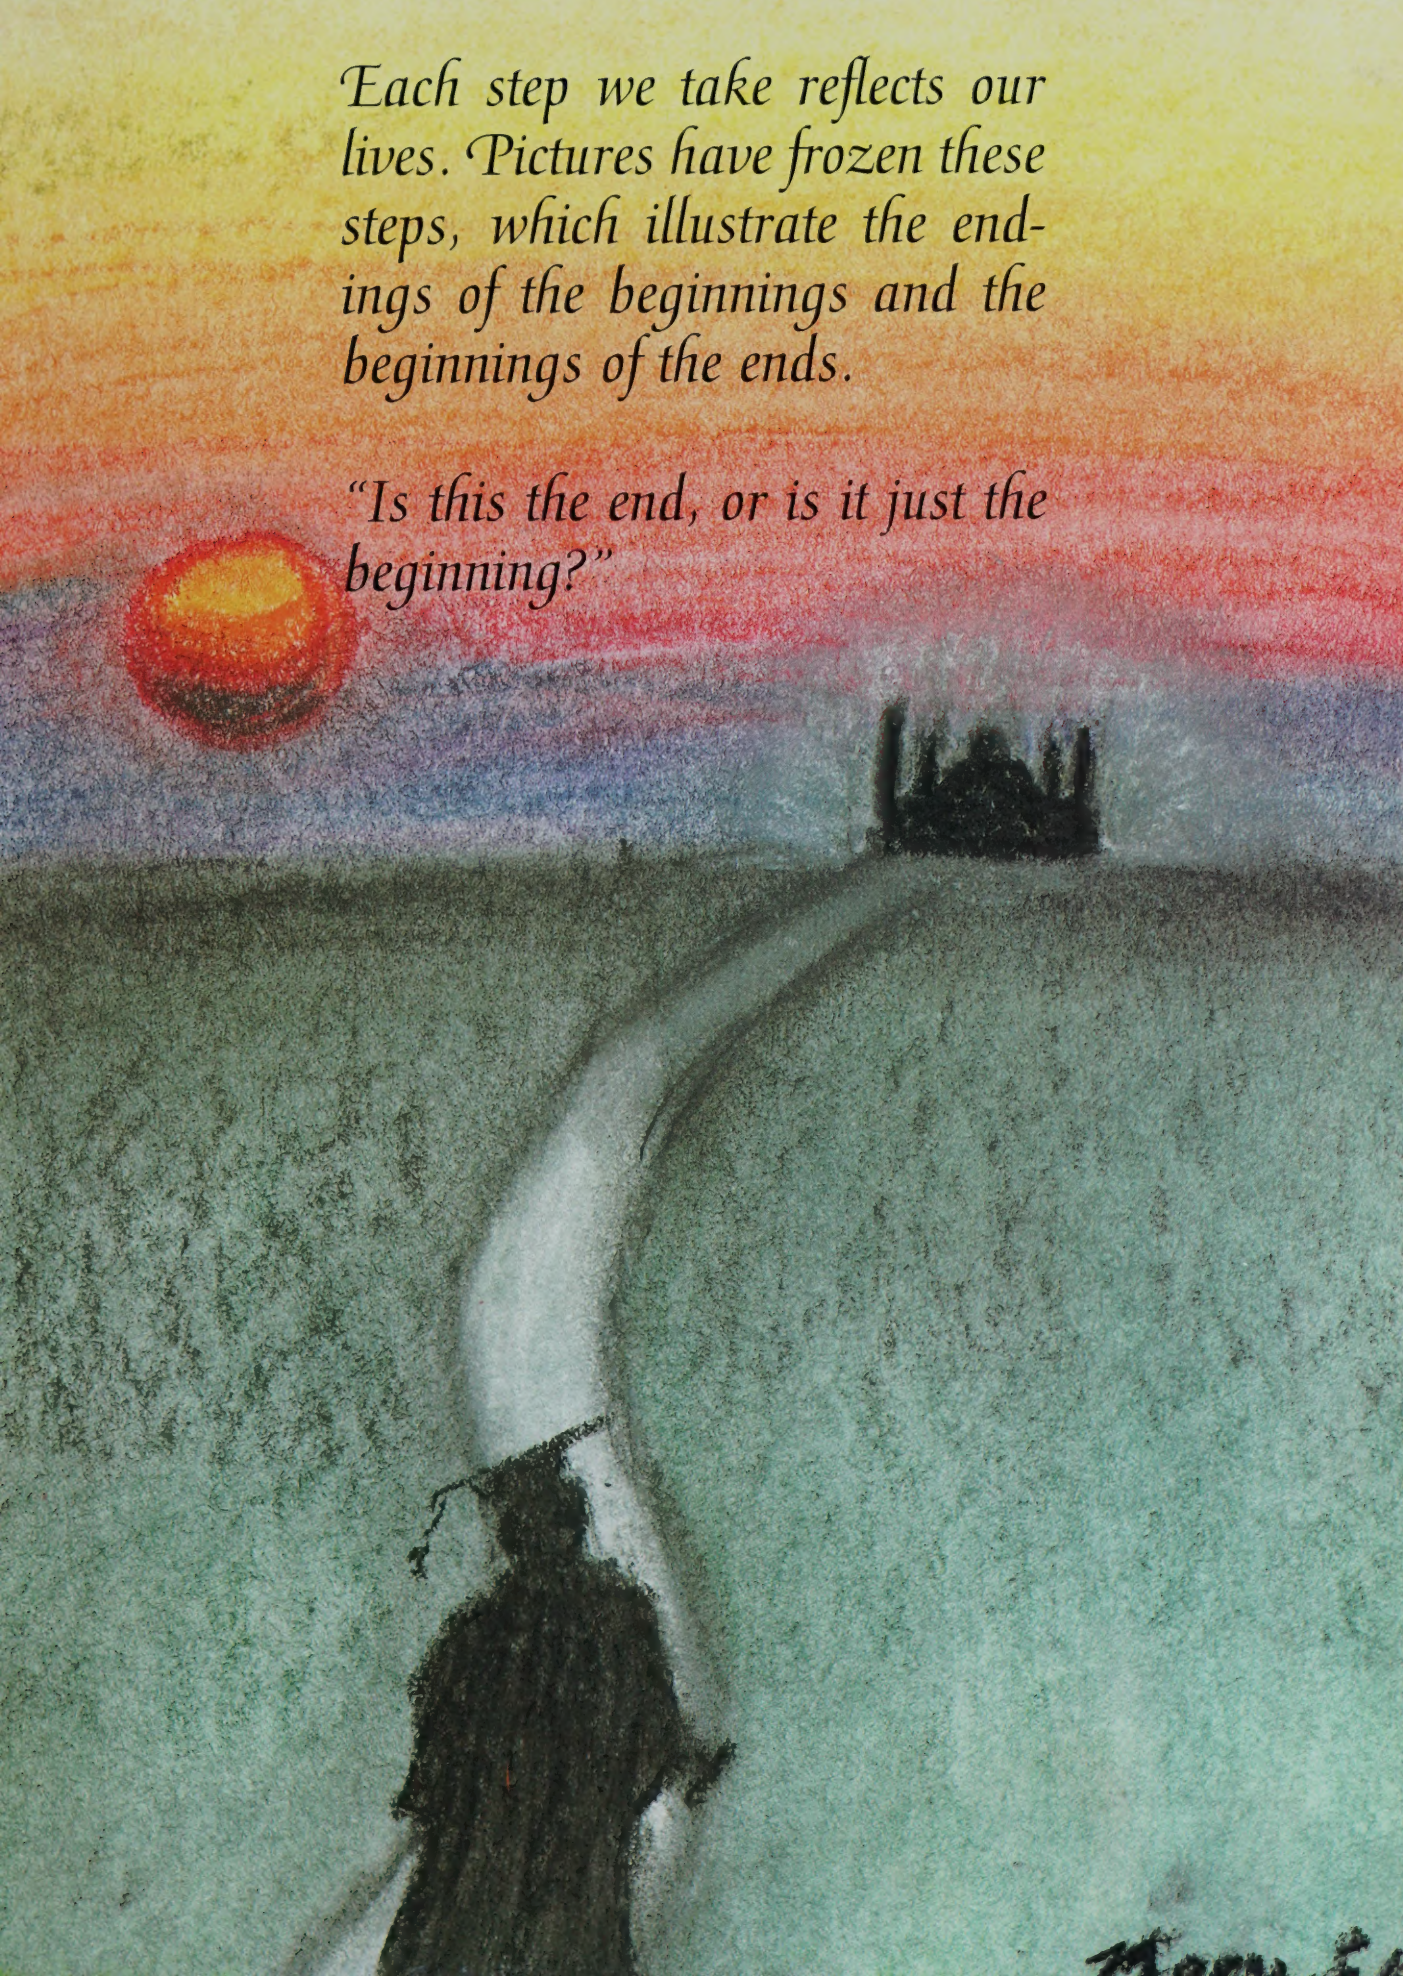
Don't Fall Over!



"The Boyz"

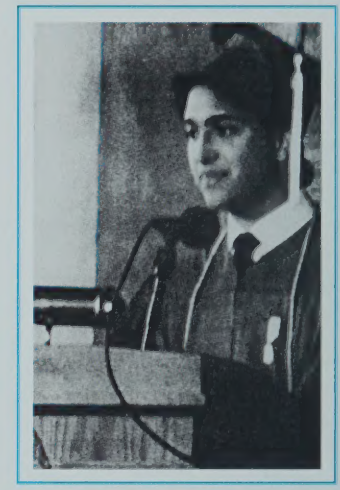
Best of Friends

Sticking Together



Each step we take reflects our lives. Pictures have frozen these steps, which illustrate the endings of the beginnings and the beginnings of the ends.
"Is this the end, or is it just the beginning?"

Endings



Beginnings

There comes a time when Seniors have to decide what paths they are going to follow after graduation. Some will choose to go to colleges and universities and some may choose different branches of the military. Others will face the world by joining the work force. Whatever paths they choose to follow, they will hold new and exciting experiences for them. Seniors are the future generation and although it seems a time marking many endings, it is a time for many beginnings.

End of Summer ...

"Too much time on the subway, Nikki?"

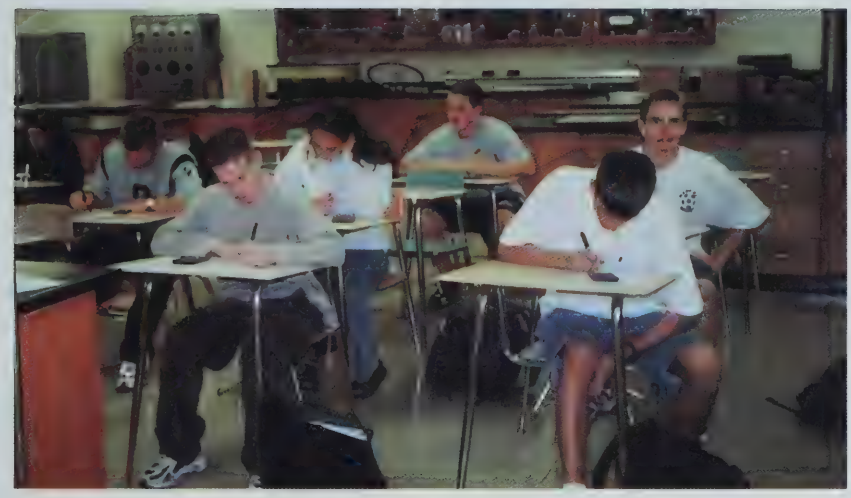
Summer — It's the time of year we're all waiting for: A full two and a half months to kick back, relax, and enjoy the sun. Free from school, homework, and teachers; it's guaranteed to be a good time. Driving around, hanging out with friends, swimming at the beach: no matter what, it will be a fun time. Here are some pictures showing the good times people had over the summer of the millennium: The Summer of 2000!

▲"Pose for the camera!"

▶"Friends 'til the end."

▶"They can definitely wait until school starts"

Beginning of Fall



▲Summer fever is still burning!

▼"This class is sooooooooo boring!"

As the weather gets colder, the hallways of Mansfield High School begin to quickly fill with students. It's the beginning of fall and school is starting. A new school for some, but for all it's new lockers, new clothes, new teachers, and most of all- a new school year. Here are some pictures of students and athletes hard at work as the fall begins.

▲"Hurry up! I need to go to practice!"

▶"See it does say "Too be or not to be'!"

A Day in the Lives of MHS Students

The day is only beginning.

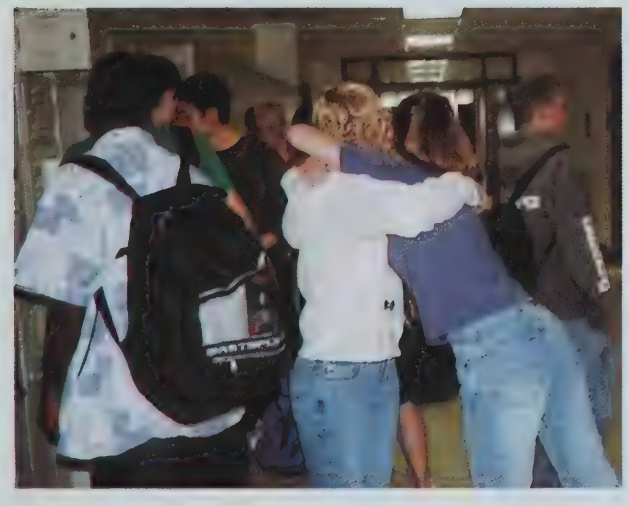
An empty hallway will soon be filled

What's my combination again?

Class Time = Nap Time

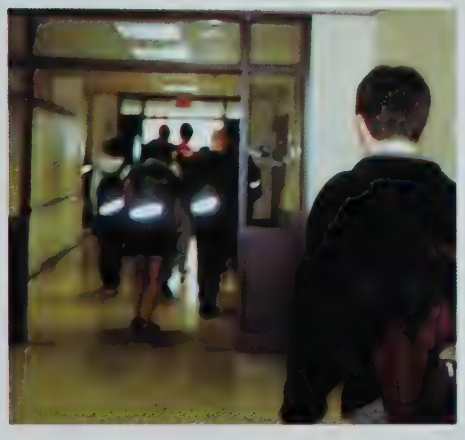
Don't look at me, I'm eating!

Crowded lunch lines



Now it's time to say goodbye … to all our company …

Let's get outta here



Another day has come to an end.

Dedication

cream of the crop

The Mansfield 2001 yearbook is dedicated to our High School Office Secretaries, Mrs. Tierney and Mrs. Baptiste. We honor them for their unfailing friendliness and helpfulness. Whether you are coming in late and need a slip or you're looking for your forgotten lunch dropped off by your mom, these two ladies will be sure to help you out with a smile.

As High School Students, we are so often caught up with our daily happenings that we don't take time to say "thank you" to the people behind the scenes. People who give us our messages, let us know when our club or activity is meeting, make sure we find our lost bag, make us a new copy of our schedule, give us information on Driver's Ed, or help us find our way when we are lost.

Mrs. Tierney and Mrs. Baptiste, we are thankful that we have you to do the Behind the Scenes things for us. You make the lives of students and teachers easier in a way that conveys your genuine kindness and thoughtfulness. For that, we thank you.

ANSFIELD
22

In the hot sun of August, we believed in ourselves and that there was promise in our future. Coming off a losing season the prior year, we had nothing to lose. With strenuous workouts and unparalleled commitment, there wasn't a doubt in our minds that we couldn't turn things around. The season kicked off with a blowout win over Watertown and things began rolling from there. With wins over Oliver Ames, Canton, and Franklin; hopes began to rise like those in past years. But with three unfortunate losses in a row, Mansfield was realistically out of contention for a Hockomock Title. Although out, we pulled together with character and pride for the last two games of the season. With an emotional win over Sharon, our last game of the season was against rival Foxboro on Thanksgiving Day. We played the Hockomock Champs evenly through three quarters and gave it our all which, unfortunately, wasn't enough. It was a great time playing with and being a part of the "Green Hornets". The memories will last a lifetime.

This year's Golf team was led by Senior Captain's Eric Adams and Mike Domurad. The team finished with four victories improving on last year's two. The group was disappointed by not making the tournament, nevertheless, the disappointment was lessened by the unforgettable times spent on the course. But it was the squad's strong finish that really told the story for the Hornets, never giving up and showing great signs of improvement. The future looks encouraging for the team, who are losing a talented group of seniors but still have plenty of youth to assure success next season. Good luck to next year's Captain Mike Parrillo and to Coaches Stu Hershman and Kevin McGovern.

The boys varsity soccer team made sure this year that the Mansfield Soccer Program is here to stay. They made their second straight appearance at the South Sectional Div 2 Semi-Finals losing to Duxbury after beating New Bedford Voke, the team the Hornets lost to in the semi-finals last year. After an early Duxbury goal, Mansfield came out hard and connected when Rob McLacklan scored off a penalty kick drawn by Justin Eastman. Mansfield dominated the rest of the game but calls weren't going their way. The Hornets ended up losing by a score of 2-1. The strong defense and quick forwards of Mansfield's varsity program is what stunned opponents often shutting them out with help from goalkeeper Brett Certuse. This lead to a second place finish in the Hockomock League, one of the toughest leagues in Mass. You can only imagine what Mansfield will accomplish next year.

The volleyball team had a tough season but pulled through with a little determination and a lot of Heart and Soul. Although their records didn't show all their hard work, they still finished second in their league and made it to tournaments for the fifth consecutive year. Though they are losing eight seniors this year, next year's team has a bright future ahead. Congratulations and good luck!

Mansfield Boys Basketball

The first half of the season was a little rough for the Hornets. Both the team and the coach had the task of adjusting to each other and a brand new gym. But after a 2-7 start the Hornets pulled it together for a hair-raising second half, going .500 in the Hock, including an overtime thriller victory over archrival Foxboro and a win against Norton which prevented them from making the tournament. However, even when the team was down the games were still competitive. Another positive aspect of this season was the development of a home court advantage. Thanks to the "Hornets Nest," the team started playing well at home where they picked up the majority of their wins. Good luck to the team next year and to Coach Traister who will set out on his second year on the job. Have another exciting season and don't let Beagan grow another mullet.

MCAS Test ... A New

Its a new beginning for the class of 2003 and passing the Massachusetts Comprehensive Assessment System (MCAS) will become a requirement for graduation of all grade 10 students, starting with the class of 2003, this year's sophomore class.

Although students must pass only English and Mathematics to graduate, the MCAS tests the strengths and weaknesses of the students, teachers, district, and school in the areas of Mathematics, Science, English/Language Arts, and Social Science. There could also be a foreign language, such as French or Spanish, added to the test in the future.

The Massachusetts Comprehensive test is scored on a basis of 220 (failing level) to 280 (advanced level). Students score in either the "failing," "needs improvement," "proficient," or "advanced" levels.

The MCAS test has been debated by many students, parents, teachers, and other citizens of Massachusetts. They say that it does not provide a fair chance for a student to graduate, nevertheless provide a fair chance of showing what a student is capable of. But for now, the Massachusetts Comprehensive Assessment System will stay put, while we wait and see the outcome in 2003.

Amy,
May the Good Lord be with you down every road you roam
And may sunshine and happiness surround you when you're far from home
May you grow to be proud, dignified and true
And do unto others as you'd have done to you
And when you finally fly away, I'll be hoping that I served you well
For all the wisdom of a lifetime, no one can ever tell
But whatever road you choose, I'm right behind you win or lose. Be courageous and be brave
and in my heart you'll always stay

Election 2000

George W. Bush selects Dick Cheney, former Wyoming representative, and former secretary of defense as his vice-presidential running mate on the Republican ticket.

The 2000 presidential election was in many ways decided by not just the voters but the courts. Five weeks after election day, the US Supreme Court blocked Al Gore's request to have disputed Florida ballots recounted. George W. Bush and Dick Cheney won the election after being awarded Florida's 25 electoral votes.

Antiquated voting methods in this age of technology threw the presidential election into turmoil. Punch card ballots, and the accompanying "Votomatic" system were first created in the 1960s. Disputed ballots had chads, or paper fragments hanging from the punch card that made it difficult for voting machines to read the ballots.
